

FARM PRODUCE - SECTION 4

Chief Steward: Alan Nauschutz (Ph: 0428 685 104)

Stewards: Gladys Franz (Ph: 07 4668 6127), Brendan Taylor & John Gersekowski

Entries Close Time: 9:30am Friday before Show Day.

Grow the Heaviest Pumpkin

Prize money donated by Don Blinco in memory of Mr C Blinco, Mrs L Blinco & Mrs Robyn Blinco.

Prizes:

1st - \$50

2nd - \$30

3rd - \$20

PLEASE NOTE:

The Pavilion closes at 6:00pm Show Day. Stewards only will have access between 6:00pm and 6:45pm. All exhibits will be handed to their respective owner at 6:45pm.

Conditions:

- **All exhibitors will pay the gate entrance fee.**
- No Entry fee, No Prize fee.
- **Entries close 9:30am** Friday before the show. All exhibits to be in the pavilion by this time. Early nominations appreciated, with the section card attached, and where possible, the name or variety. Separate exhibits must be provided for each class entered.
- All grain to be in clean polythene, hessian or calico bag, plastic bucket or other suitable container, containing no less than 3 kgs, unless otherwise stated. All hybrid grains should be named. In a 2L ice-cream container or larger.
- Exhibitors are asked to carefully make sure their cards or tags match the schedule. If there is any discrepancy, return the tag at once to the Chief Steward, setting out clearly the class in which the exhibit should be entered and a new card will be issued.
- Exhibitors must not, under any circumstances, alter cards themselves. Study the schedule carefully, and make sure that the exhibits comply with all conditions down. Failure to do so may mean the loss of an award.
- By a "collection of articles" it is meant the greatest number of varieties. If the best half bushel or best half dozen are asked for, the quality, freedom from disease and general display are the principal considerations.
- A "sheaf or sheaves" must be cut off above the ground and tied. For all grain sheaves, all leaf matter should be stripped from each individual stem, placed neatly together, tied in three places and cut off at the bottom. Zip ties can be used.
- Wheat sheaves to be at least 6cm in diameter at the base. Grain Sorghum to be at least 10cm in diameter at the base.
- Millet sheaves to be at least 5cm in diameter at the base.
- Green forage and grass sheaves are to be at least 7cm in diameter at the base with free succulent leaves to be left on.
- Honey entries to be in glass jars with screw top plastic lids.

Any exhibitor desiring information concerning his/her exhibits after completion of judging may, by arrangement with the Stewards of the section, receive an introduction to the judge.
